### You Can Help Thousands of Women by Supporting Our Critical Programs and Services!

Our mission is to provide prevention, intervention, and awareness services to all women who are victims of domestic violence and abuse.

We need your support! In fact...We can't do it without YOU!

Because all of W2WCSI services are provided free of charge to women and families in the Naperville, Aurora and surrounding communities, W2WCSI relies on individual contributions, business and corporate support, and in-kind donations. A contribution of any amount is greatly appreciated. To make a tax-deductible contribution to W2WCSI, please contact our office for a more comprehensive list associated with each contribution level.

Thank you!!
